We had 100 8th graders from all 3 junior high campuses join us at the game.

Mr. Armstrong noted the 5 trophies on the table from the Midlothian contest on Sept. 29. He thanked all the parents who helped with the props and taking care of our kids on Saturday. He is really proud of our kids. We are adding more of the show now. We go to our first Bands of America show this Saturday. This is where all the really good bands perform. He also mentioned the new band tower, which can go up to 26 feet so you can get a much better view of the band from a distance.

Winter Park trip – currently we have 198 students and chaperones signed up to go on the trip next spring.
