## Benny Davis

Dear Parents and Students,

On behalf of the entire WISD Band Program, I would like to extend a heartfelt thanks to Mr. Benny Davis. Mr. Davis will be leaving our district at the end of the school year, having accepted a position at the new Heath High School in Rockwall where he will oversee the school's first band program.

Without question, we all owe a debt of gratitude to Mr. Davis. His dedication, his passion and his commitment to WHS has enabled our program to reach new levels of success. Under his leadership, our bands have advanced to the Texas UIL State Marching competition while also earning national recognition at competitions and nationally televised appearances around the country. More important than the awards and accolades, one of his greatest accomplishments at WHS has been his passion for the students as he continuously inspired them to achieve their goals in music, in academics, and in life.

Without question, Mr. Davis helped elevate the WHS Band Program. On behalf of the entire WISD Band Program, we thank him and wish him great success in Rockwall.

As the new Director of Bands at WISD, my challenge is to build on the great pro-

gram already in place. For the past three years, I've learned a great deal by having had the opportunity to work alongside Mr. Davis. I know that the greatest tribute we could pay him is to keep moving the program forward.

Our job as directors, students, and parents is to pick up the baton and continue raising the level of expectations for our students in music, in academics, and in life.

Thank you again, Mr. Davis. We won't let you down.

Always, WITH PRIDE!

*Rich Armstrong  
Incoming Director  
WISD Band Program*

## TMS Band News

After having earned Division One ratings in concert and sight reading at the UIL, the Maypearl Contest and the Sandy Lake Festival, the TMS band performed a wide variety of music for their Spring Concert to hundreds of listeners on Thursday evening, May 19. The band finished off their program of music with a rousing rendition of the "1812 Overture," with cannon shots and the works. For an encore, the band featured

the trombone section in "Slip and Slide." Within the past two weeks, the band has performed three orientation concerts to three visiting elementary schools. While it is sad to see our sixth graders leave us, we are looking forward to working with the new crop of young and budding musicians. We have many great things in store for next year's TMS Band. We will continue our quest in providing a rewarding and educational experience for all of next year's band members. In behalf of the TMS band staff, we want to express our appreciation for the parental support of our children and the band program. Have a great summer!

- Donnie & Margie Owens

## WJHS Band News

The Junior High Symphonic 1 Band made Division One ratings from all judges at the UIL contest in April and received the sweepstakes trophy. Both of the Junior High Bands received Division One ratings at the Beach Within Reach Band Festival. This has been a very productive year for the Junior High Bands. - Terry Maxwell

We will learn fundamental routines, cadences, and some new charts

## Drum Major Reminders

First, let's congratulate **Elizabeth Buchanan** and **Jaci Wyatt** for being selected as the **2005-2006 Waxahachie Drum Majors**. Ladies, remember you are going to the UTA **Drum Major camp, June 19-23**. We look forward to watching you lead and conduct our marching band next season.

## Practice, Practice, Practice

At this time of the year the horn can sometimes stay in the case in the corner of the room for many weeks. Students, please find some time daily to play, maintain, and develop your chops. Create a daily routine that will allow you to practice and continue to move forward with your musical skills. You **ALL STATE HOPEFULS** need to remember that your competition is going to practice everyday this summer for at least an hour. You must match this amount of practice time just to be in the game.

So, enjoy the summer months and have a great time. But, don't forget to improve your skills. - *Mr. Armstrong*
