TNT Fireworks Summer Season Opportunity!

[CLICK HERE FOR APPLICATION](#)

All employees must be at least 16 years old before June 24, 2021.

COVID 19 Procedures: Employee and customer safety is our FIRST priority!

- We will follow several safety protocols:
- ALL employees (management included) will be expected to wear masks (you may bring your own from home or TNT will provide them at each shift).
- Employees will be expected to adhere to social distancing at breaks, etc., and we will be sanitizing surfaces as often as possible.
- All employees will be screened using CDC protocol questions and will be checked for elevated temperatures at every shift.
- IF YOU ARE NOT WILLING to abide by these policies, we wish you well and hope to see you in the future, but please do not take a spot this season.

Non-Profit Groups

- Waxahachie non-profit groups that refer new employees will receive a donation from TNT based on a percentage of store sales and the percentage of hired employees who were referred by the group.
- Referrals do NOT need to be direct members of the group – TNT will donate to your group for any employee hired for the summer that your group referred. Please make sure all referrals know to indicate on the application that your group told them about the opportunity, especially if the referral is not a member of the group.
- **PLEASE NOTE:** If an employee fails to show up for work, leaves early without permission, or basically displays undesirable behavior, the non-profit group will not get the donation for that employee.
 - This does not apply if the employee is sick, has a family emergency, or just wants off and finds someone to cover their shift.
 - This applies to employees who simply don't honor their word and do not come to work when they are scheduled, etc.
 - Employees will be made aware of this policy via email, and it will be discussed in employee training.
 - We absolutely can not have people not showing up for work, particularly on July 4th.
 - That is the day we need the most people, and unfortunately, it is the day most people don't show up for work.

The Summer 2021 Season working dates are:

- Employees need to be **available** during the season.
- Truck deliveries/stocking days – dates are not set yet, but they usually come around the end of May or the month of June.
 - The schedule is set up so that employees who have fewer hours during the selling season (when the store is open to customers) will have the first chance to work deliveries.
 - If those employees decline, the open hours will be offered to all employees on a first come, first served basis
- **6/19/21 – Training** – ALL employees (even if they have worked at TNT in previous seasons) are required to attend training and will be paid for their hours.
- **6/24/21 – 7/4/21** – these are the dates of the regular selling season, when the store is open to the public.
 - *****ALL EMPLOYEES WILL BE EXPECTED TO WORK SOME TIME (not all day, but some time) Saturday 7/3/21 AND Saturday 7/4/21 (the store's busiest days).**
 - MOST will also be scheduled to work 7/1 and 7/2.
 - If someone can not work 7/3 and/or 7/4, they should not sign up. If employees have scheduling needs regarding times of day (“I need to work evenings on 7/1 through 7/4 because of the Band parade” or “I have to leave before 5 pm on 6/30” etc.), TNT will do its best to accommodate those needs in the order that they are communicated to the manager (it may not always be possible).***
- **7/7/21 – 7/8/21** – Inventory stacking, store clean up etc. – some employees will have the opportunity to help on these days. If they cannot make it, hours will be offered to all employees on a first come, first served basis.
 - Individual schedules (specific days, times, etc.) will be discussed privately with employees.

TNT Fireworks Summer Season Opportunity!

[CLICK HERE FOR APPLICATION](#)

Below are the job descriptions for this summer. ALL POSITIONS pay \$10.00/hr.

- **Cashier** – Cashiers are responsible to: collect customer information and type it into the system, scan items, "upsell" special items at the register (the register special, etc.), take payment and bag products for customers, fill online orders, etc.
 - Cashiers are often expected to greet customers, stock and sell products, help with shopping carts and break down boxes when there is no Floor Associate available.
 - Cashiers will also be scheduled to help with pre-season deliveries and stacking for inventory after the regular season ends.
- **Floor Associate** – The Floor Associate's primary job is stocking (medium/heavy lifting, moving cases, stocking shelves, cleaning up, etc.) but these employees will also be trained for Sales and must be willing to serve customers when the need arises.
 - Some FA employees will be scheduled as a Greeter for one shift or will be needed to fill online orders, break down boxes or help customers load fireworks in their vehicles.
 - FA employees will also be scheduled to help with pre-season deliveries and stacking for inventory after the regular season ends. THIS IS A FAST PACED, PHYSICAL JOB.
- **Greeter/Carts** – The Greeter greets customers, answers questions, shows customers to the correct aisle, etc.
 - The greeter is also responsible for collecting stray carts from the parking lot. THIS JOB IS ALSO FAST PACED AND PHYSICAL, but is repetitive, so it is very easily learned.
- **Hours Available** - the schedule is set up so that all employees have the opportunity to work about 38-44 hours at \$10.00/hour in the full season (as long as they work all of their own scheduled hours).
 - This fluctuates when people give their shifts to others, etc., so it may not turn out that everyone gets all of these hours, but the schedule is set up so that all employees have the chance at the beginning.

Applicants

- **NEW applicants** (people who have never been hired by TNT) need to fill out the attached application and send it to Traci Cook via email (tntwaxahachie@tntfireworks.com) or text a picture of their application to 817/932-2318.
- If applicants have submitted an application for previous seasons, but were never hired, they need to send a new application for this season.
- Former employees (2017 - 2020) do NOT need to submit a new application. They may contact Traci Cook directly via email or text to express interest in a job with TNT this summer.
