

Disney's Hollywood Studios One-Day Holiday Touring Plan for Adults

Park:
Disney's Hollywood Studios

Plan Summary:

Another variation of the one-day touring plan found in the Unofficial Guide, especially for holidays and special events that typically result in large crowds at the Studios. The plan includes dining recommendations, touring advice and FastPass+ strategies tailored to holiday touring in this park. A bit more walking is required to stay one step ahead of the holiday crowds at the Studios. This plan varies from the traditional one-day plan by moving attractions such as Star Tours, which can develop long lines during holidays, to earlier in the day. Shows and live performances, which typically handle crowds well, are pushed back slightly to accommodate this.

Additional Notes:

Suggested start times for FastPass+ reservations: Toy Story Mania=10 AM; Star Tours=12 noon. You'll have one remaining FastPass+ reservation to use on another attraction.
